

# WHAT TO EXPECT

## Wednesday Night LSM and KidsWay

### *Check-In*

Check-in will take place at the south entrance of Linwood. All children and youth will check-in via touchless check-in. Check-in will be expedited by downloading the Church Center app. All leaders and participants will have their temperatures checked and hands sanitized before entering the LSM or KidsWay environments. (Please see Sick Policy for details of entry). All KidsWay participants, birth through 5th grade, must have a check in tag on their clothing prior to entering their room.

### *Masks*

This is subject to change as social distancing requirements and church guidelines change.

#### When Masks Are Strongly Recommended to be Worn

- All participants and leaders will be strongly recommended to wear masks while entering the building until they reach their seating in either the LSM or KidsWay worship centers.
- Masks will be strongly recommended in activities such as the LSM game room and while playing board games pre-service in KidsWay.
- Masks will be strongly recommended in hallway areas moving from large group to small group rooms.

#### When Masks Can be Removed

- When the participant or leader has reached their seating in the LSM or KidsWay worship centers.
- While participants and leaders are in their small group rooms. Social distancing should still be maintained.
- While in the gym. Social distancing practices should still be maintained as much as possible.

### *Nursery*

Sanitation measures have been increased. Please understand that if you leave your child with us in the nursery that maintaining social distancing will not be possible. Babies and toddlers will be held and changed as necessary. Leaders will be strongly recommended to wear masks while they are caring for children in the nursery.

You are welcome to bring a diaper bag as needed, but we ask that no outside toys be brought in at this time.

# *KidsWay*

KidsWay will meet in the large group room for the beginning portion of Wednesday night. Children will engage in worship and the lesson, then move to their small group rooms. Social distancing will be attempted, but cannot be fully guaranteed.

Small groups are assigned as such:

- Pre-K: ages 3 (if fully potty trained) through pre-kindergarten.
- K - 1st Grades
- 2nd - 3rd Grades
- 4th - 5th Grades

Each child will be provided a pencil box that will include crayons, pencils and a pencil sharpener that will have their name on it and will remain in their classroom. A separate box will be provided that children can place their masks in while in the classroom and the gym to keep masks separated.

Wednesday scheduling for KidsWay is as follows:

6:15p to 6:30p - Free Play

6:30p to 7:00p - Large group worship and teaching

7:00p to 7:30p - Small group breakouts to classrooms

7:30p to 7:45p - Children will have free play in the gym

7:45p to 8:00p - Parent Pick Up. All KidsWay participants are to be picked up by 8:00p.

# *Check-Out*

Parents shall enter the building at the south entrance as with check-in.

- Pick Up for KidsWay will be at the doors of the gym closest to the vending machines.
- Leaders will be verifying your security code to the student's name badge, but will not be removing them from the children's clothing. The Church Center App gives you a digital pick-up tag when you check your children in online, so you don't have to keep track of the paper version.
- Parents are welcome to wait in the South Cafe if they desire prior to picking up their children in either program, however you will be required to have your temperature checked and a mask will be strongly recommended.

# *Policy Changes*

We all know that things can change quickly in this current season we are in. There may be changes that occur throughout this school year for the safety of our families and leaders. We will communicate changes as quickly as possible. Thank you for your grace and patience as we all maneuver this uncertain season together.

# Sick Policy:

**Stay home and try again next week if:**

- Fever of 100.4 or higher within the last 48 hours
- Wheezing or shortness of breath
- Cough
- Constant runny nose
- Lethargy
- Vomiting or diarrhea within the last 48 hours
- Redness or Crusty Eyes
- Sore throat or swollen glands
- Undiagnosed rashes or persistent itching
- Head lice
- Uncovered sores
- Unusual color or just generally feeling unwell

**Come in but take it easy if:**

- Fever free for at least 48 hours without fever reducers
- Free from vomiting and diarrhea for at least 48 hours
- No live lice and nits have been removed
- Antibiotics must be in effect for at least 48 hours if prescribed
- Any other situations have been resolved
- Overall health seems to be positive

**Come on in if:**

- Active
- Playful
- Rested

## What happens if your child gets sick while here?

If your child/student becomes sick during our care, we will separate them from the group and contact you immediately. Please pick up your child at the time designated by the leader. If we are unable to reach you, we will call the emergency contact number.
